

PRINT & DESIGN SOLUTIONS
PART-TIME EMPLOYEE ATTENDANCE & SCHEDULING POLICY

1. Purpose

Print & Design Solutions (PDS) expects reliable attendance for all events. Reliable attendance is critical to the operational success of our events. This policy outlines expectations for submitting availability and the consequences of failing to fulfill committed shifts.

2. Availability Submission as a Commitment

- **Submission Deadline:** Employees must submit their availability within 72 hours of being requested by operations through the employee portal.
- **When Invited:** Must respond within 72 hours of invite. Scheduling questions must be directed to Jenn Villar, Director of Operations preferably via email at jenvillar@lpds.net or via text to (818) 438-5722.
- **Binding Commitment:** Once availability is submitted and the schedule is published, those shifts constitute a binding work commitment.

Please note, occasionally there are changes by the venue due to limitations that are out of control of PDS that require a reduction in scheduled vendors. In those situations, PDS will do it's very best to schedule removed vendors as soon as possible to another upcoming event.

3. Cancellation Notice Requirements

- **One (1) Week Notice:** If an employee cannot work a scheduled shift due to non-emergency circumstances, they must provide a minimum of **one (1) week's advance notice** to their supervisor via email and cc: portal@lpds.net and submit a cancellation request through the portal.
- **Emergency/Sick Leave Exception:** Employees must report sudden emergencies, sick leave, or unavoidable circumstances as soon as reasonably possible to your supervisor and email as soon as possible to [Jenvillar@lpds.net](mailto:jenvillar@lpds.net). PDS will comply with all local, state and federal laws regarding the evaluation of exception requests.

4. Impact of Late Cancellations & Unreliability

Late cancellations disrupt event operations and vendor planning.

- **Late Cancellations (<One (1) Week):** A late cancellation occurs when you have been: (1) invited to work an event(s); (2) have accepted to work the event(s); and (3) were confirmed to work the event(s). Cancellations made with less than one (1) weeks' notice per the above, will result in a documented verbal warning.
- **Impact on Future Selection:** Repeated late cancellations, failure to show up for a scheduled shift without notice (No-Call/No-Show), or a pattern of scheduling unreliability will directly impact on the employee's status for future event selection and may lead to a permanent reduction in scheduled hours.
- **Termination:** Continued unreliability or a single No-Call/No-Show may result in disciplinary action up to and including termination of employment.
